

FS10 PRODUCT OVERVIEW

The FS10 sit-in kayak delivers a unique mix of extreme maneuverability, functionality and comfort for paddlers of all skill levels. Every feature illustrates the meticulous attention to detail employed

Advanced Performance Hull Design: Custom-crafted V-style hull using computer-aided design to incorporate an extended keel with aggressive strakes to improve hydrodynamic performance. Features a unique rocker design strategy which delivers better speed, maneuverability and excellent tracking, while still providing great primary and secondary stability.

Accessory Rails: Two 10" (25.40 cm) accessory rails pre-installed into the port and starboard dashboard flats, allowing you to quickly add virtually any aftermarket accessory designed to attach to a rail system, e.g., fishfinders, flex arm transducers, lights, rod tubes, rod tenders, camera mounts – Accessories not included.

Adjustable Foot Braces: Allows a comfortable fit for anyone approximately 5' 2"–6' 2" (1.57–1.88 m) tall.

Deluxe Removable Seating System w/Friction-Lock Bungee Hold Downs: Deluxe steel-frame, ergonomic seat—with an innovative rail integration into the kayak with a positive friction bungee hold down—delivers the most comfortable ride on the market today.

Weathertight Deck Plate Storage w/Tethered Lid: Provides secure storage for small items, such as wallet and keys. Secondary waterproof cases are recommended to ensure a great day on the water.

Multipurpose Molded Dash: Includes deep, molded catch-all trays and dual-sized drink holder design to hold almost any size drink. Integrated landing flats accept a variety of aftermarket accessories for maximum versatility.

Paddle Holders: Port and starboard paddle keepers with bungee hold downs.

in its design. These features incorporate customer feedback and create a user-friendly system ideally suited for beginning paddlers *and* avid anglers.

• **Large Cockpit:** Large open cockpit for more freedom of mobility and easy entry and exit.

• **Cleats:** Two 4" (10.16 cm) cleats for anchoring or for use as a quick-attach location for a minnow bucket or fish stringer.

• **Multipurpose Stern Tankwell:** Deep molded stern tankwell can fit all types of cargo, e.g., small coolers, buckets, standard milk crate, 5-gallon (18.93 L) bucket or bait tank, dry bags, camping gear.

• **Dual Flush-Mounted Rod Holders:** Allows secure transport of various types of rods and reels with quick access while on the water. Rod leash ready.

• **Performance Grip Handles:** Molded-over bow and stern rubber grip handles for easy transport.

• **Drain Plug:** Threaded, sealed drain plug allows you to easily drain excess water from the boat.

• **Bow & Stern Bungees:** Allows you to secure cargo on the bow or in the stern tankwell.

• **Paddle Holders:** Quick-hold molded paddle holders integrated in the cockpit ring allow for a temporary break to relax from paddling or for a quick cast.
